

Welcome Home!

Does this sound funny? Well it shouldn't because this is how you should feel when you are at our office. We would like to welcome you once again to our dental practice and explain a little about our office policies and goals. We believe in the theories before Modern Dental Care, which do not support the old premise of "When it hurts- fix it." Through proper preventive care and regular checkups, we believe that it is highly likely that most of our patients can expect to keep all of their teeth for all their lives.

Our patients can expect from us:

1. A high degree of professional skill and ability.
2. A dedication to your oral health care.
3. A minimization of costly reconstructive work through proper preventive care.
4. The highest effort to make your visits as comfortable as possible
5. The right treatment at the right time.
6. Fees that are fair and just for the services provided

In return, we expect from our patients:

1. Cooperation in making and keeping appointments
2. A conscientious effort toward good oral hygiene.
3. Recall visits to maintain optimum oral health.
4. A definite arrangement for the payment of fees at the time of service.

In order for our newly formed relationship to be mutually satisfying and beneficial, we ask that at any time you have a question, are unhappy about treatment (proposed or performed), fee for service, or attitude of our "Dental team," you will discuss it with us promptly and openly. Misunderstandings and/ or lack of communication is the only obstacle to our continued friendship and professional relationship.

Enclosed is some information that we need you to fill out and bring to your first visit. It is very important that these forms are filled out before your first visit. This will expedite your appointment. If you have any questions don't hesitate to give me a call.

Sincerely,
Nikki DiModica
